

HOMAG EDGETEQ S-512 2 COIL EVA-AIRTEC

The EDGETEQ S-512 2 Coil EVA-airTec edge bander produces perfect edges for small to large-scale furniture and component industries who require the highest-quality results.

The S-512 2 Coil EVA-airTec is designed for companies looking to process coil (0.3 – 3 mm) and solid (1 – 12 mm) materials with fast and high-quality results.

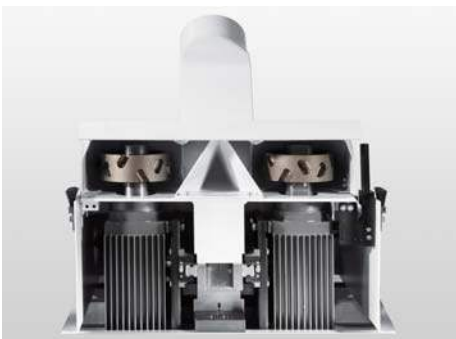

Technical Specifications

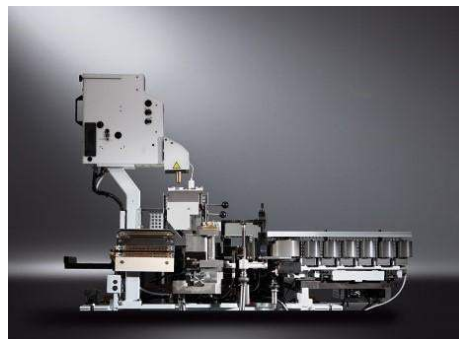

- Machine Length: 9,365 mm
- Working Height: 950 mm
- Extendable Workpiece Support: 1,000 mm
- Variable Feed Speed: 16 – 20 m/min
- Workpiece Overhang: 30 mm
- Electrical Connection: 480V / 3-phase / 60 hz

Benefits

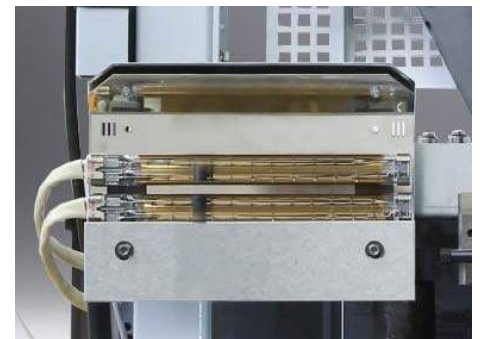

- Lower energy costs through integrated energy saving technology
- Hot air application of material to workpiece
- High-level of automation and flexibility
- Multiple radii tooling technology for all edge material applications
- 12 mm solid wood strip capacity
- Available in either left or right hand specification

Joint Trimming Unit

QA-65P EVA Gluing Unit

Workpiece Pre-heating

HOMAG EDGETEQ S-512 2 COIL EVA-AIRTEC

- Programmable Height Adjustment
- Workpiece Spacing Control
- Servo Infeed Fence Adjustment
- Top Pressure Belt Hold Down
- LPZ/II Release Agent Spraying Unit
- Pre-Milling Unit
- Workpiece Pre-Heating
- QA-65P EVA Quick Melt Gluing Unit
- airTec 25 Activation Unit
- Roller Panel Support
- 2 Coil Magazine
- Guillotine
- Magazine Height Adjustment
- Servo Controlled Pressure Zone: 5 Rollers
- Servo Pressure Zone Adjustment
- HL-81 End Trimming Unit
- Anti-Static Spraying Unit
- MS 40 Fine Trimming Unit with Servo, 15 degree chamfer, and two radii
- MF 60 Servo-Trim Multi-Function Contour Trimming Unit with 2 radii technology and continuous top and bottom trimming mode with 15 degree chamfer
- MN 21 Servo Multi-Profile Scraping Unit with five radii plus two bevels
- FA 20 Flat Finish Scraping Unit
- FA 06 Edge Buffing Unit
- LP163/93 Cleaning Agent Spraying Unit
- EDGE Heating Unit
- LOOPTEQ O-300 Connection Kit
- Sound Enclosure
- Electronic Control PC23
- WoodScout Diagnosis System
- HOMAG Group powerTouch Control System PC 23
- Documentation and Control Text
- Tapio Ready
