

Drill / Dowel Technology. German Engineered. Built for the USA.

INTELLIGUIDE
INSIDE!

Features

- Individually selectable five-spindle horizontal drill
- Individually selectable five-spindle vertical drill
- Zero setup via CNC control of X/Y/Z axes
- 8 mm dowel insertion aggregate
- Vertical router motor
- Horizontal router motor
- CNC control of clamp elevation and reference fences
- Barcode control
- **Intelliguide** operator guidance system

Advantages

- 4' table configurations
- **Water or glue** capable
- Available **dual-dowel** diameter configurations
- Effective drilling for **Confirmat** and/or **CAM** construction
- **Routing** for hinges, **grooving** for five-piece melamine door construction
- **Accurate high-speed** drilling and dowelling
- **HOMAG PowerTouch** Control
- Industry leading **service and support**

Horizontal multi-spindle drill block

Routing capabilities

Vertical drill configuration
